

- STA is a 'YOU CAN SIT WITH ME' school.

you can sit with me

- YOU CAN SIT WITH ME is a kindness and inclusivity program to help strengthen our communities and stamp out bullying and non inclusive behaviours.
- It is a simple yellow wristband with a life changing message worn by students who want to speak kindness and inclusivity. If a child is a YOU CAN SIT WITH ME ambassador, they will be asked to wear the wristband.

What to do if you see someone feeling sad?

Ask them if they are ok.

Ask them if they want to sit with you.

Ask them to join in with your game.

Ask them if they need an adult.

you can sit with me

By wearing the highly visible YOU CAN SIT WITH ME wristband, children will know you are a person who welcomes them to sit and play with you – no questions asked.

By wearing the yellow wristband you will be changing someone's day and you will become a YOU CAN SIT WITH ME hero!
