

- In Week 9 Milo our wellbeing dog will come to school to meet us. He will be here for one day in Wk 9 and one day in Wk 10

- Milo is a wellbeing dog.
- He has an important job to do at our school.
- He isn't like a class pet.
- He needs a calm and safe environment.
- He needs to be respected in the same way we respect staff, students and visitors.

- 3 Expectations
- Whenever we are around Milo we need to keep these three things in mind.
 - Say HELLO to the person not the dog.
 - We give lots of sp[ace] when we pass the dog.
 - We keep moving, we don't stand around and stare.

With the arrival of Milo, our wellbeing dog, we kindly ask that no other dogs be brought onto the school grounds. This helps us maintain a safe and calm environment for Milo and our students.
